The ground floor:

A traditional French country style layout, with the kitchen being part of the main living area. The dining area, complete with dining furniture is adjacent to both the kitchen and the lounge. The kitchen comes fully furnished with all modern amenities including ; a fridge, washing machine, toaster, microwave, coffee maker, and electric cooker with full oven and hob.

The living area is comfortably furnished and nicely decorated with a 3 piece suite and with a traditional-style Breton fireplace feature, satellite television and a spiral staircase to the 1st floor.

Outside of the property, there is ample off street parking and a large grassy area. To add to your enjoyment we are delighted to provide a barbecue and traditional wooden picnic table, which can be most relaxing on a hot day when you can shelter from the heat of the sun under the shade of the mature oak trees in the grounds.

Children are most welcome at our property and there is plenty of space for them to play outside on our large grassy area.

Pets are also welcome but must be kept under strict control as not to disturb others.
